

**The Daily Astorian.**  
ASTORIA, OREGON:  
FRIDAY, APRIL 19, 1890.  
**THE OKLAHOMA BOOMERS.**  
No News of The Missing "Denmark."  
Specials From All Parts of the Country.

New York, April 18.—The steamer *Abraham* arrived from Gibraltar this morning but brought no news of the wrecked *Denmark's* passengers.  
DECLARING A DIVIDEND.  
New York, April 18.—The directors of the Oregon Improvement company have declared a quarterly dividend of one per cent. on the common stock. The preceding quarterly dividend was at the rate of one and a half per cent.

TWO APPOINTMENTS.  
WASHINGTON, April 18.—The president to-day appointed Edward A. Lacy of Michigan to be comptroller of the currency and Timothy Gray Phelps of San Francisco to be collector of customs at San Francisco.

THE OKLAHOMA BOOMERS.  
ARKANSAS CITY, April 18.—At five o'clock this morning the boomers were alive and getting ready for crossing the Cherokee strip. There were nearly thirty thousand here and they had been ordered to move in an orderly manner along established trails. If any depredations are committed the whole line will be stopped and the guilty ones turned back. The procession will be accompanied by about twenty to thirty reporters on ponies. United States commissioner Bonnell has allowed two men to construct bridges at Salt creek and Chillicothe creek and charge the boomers twenty-five cents to cross.  
An old ferry boat on the Salt fork which has laid idle for years will be brought into service.

FRENCH HALF-BREDS.  
WINSTON, April 18.—Gabriel Dumont, Riel's lieutenant in the northwest rebellion, has returned from Montana and is addressing large meetings of Indians, urging them to petition the government to pay all their losses which occurred during the rebellion, telling them that a given number of French half-breeds, well armed, could with a similar number of any other nation in the world.

A BOUGH EXPERIENCE.  
LUTHER (Mich.) April 18.—A piece of bread lodged in Job Brewer's throat to-day and in a few minutes he was unconscious. Mrs. Brewer did not lose her presence of mind, and poured several dippers of water down his throat. The bread became sufficiently softened and had apparently slid down into Brewer's stomach, but by that time he was nearly drowned by the water. Mrs. Brewer heroically persevered, and by rolling her husband over a barrel and then substituting artificial respiration soon had Job on his feet again. He had come very near death twice in an hour, but his wife had saved him.

WRECKED SAILOR TO RETURN.  
WASHINGTON, April 18.—The navy department has received a cablegram from lieutenant Wilson, of the *Vandalia*, stating that the steamer *Rockton* has been chartered at Sydney and will arrive at San Francisco May 10. It is stated that Wilson is at Sydney, where he will make arrangements for the departure of 300 officers and men of the United States vessels wrecked at Apia, who are to be brought to this country.

INSTRUCTIONS TO SAMOAN COMMISSIONERS.  
WASHINGTON, April 18.—Secretary Blaine's instructions to the commissioners of the United States at the Berlin conference, it is stated, are that they must insist on maintaining the Samoan independence. The United States will pay no indemnity for the alleged aggressions of American citizens in Samoa. The proof is deemed conclusive that Blaine sought to avert bloodshed and not to provoke it.

"OKLAHOMA ON FIRE."  
KANSAS CITY, April 18.—A wagon has passed through this city which bore the following scrawl in rude letters on the canvas cover: "Chinaz bugs in Illinois; sicklomed in Nebraska; White Capped in Indiana; Bald Knobbed in Missouri; prohibited in Kansas; Oklahoma or kept."

AN ENORMOUS MASS.  
WASHINGTON, April 18.—The amount of business that is being transacted upon the postoffice department outside of legitimate current work may be inferred from the fact that during the twelve working days of April over 25,000 applications for appointment as fourth-class postmasters have been received at the office of the first assistant postmaster-general. This is equal to an average of over ninety-two applications for every hour during the entire period named, which would in turn be an average of one and a half for every minute. If assistant Clarkson should devote ten hours each day for the remaining days of the month, Sundays, to the perusal of the applications thus far received since April 1st he could not go through this mass of matter.

TOMMY AND PADDY.  
BOSTON, April 18.—Tommy Meadows Australian, is anxious for another go at Paddy Duffy. In a letter Meadows says that Duffy is a quitter and that in the second and third rounds he wanted to stop the fighting. The Australian is confident he can defeat Duffy, for he says if any Boston club will give a reasonable purse he will fight Duffy ten or fifteen or twenty rounds, whichever he chooses. The Boston man to sleep in that time he will be satisfied to lose the purse. Boston sporting men do not take any stock in Meadows' statement that Duffy wanted to quit. Letters received in this city from California who witnessed the battle show that Meadows was the one who wanted to quit; not Duffy.

Record of Current Events in That City.

SPECIAL TO THE ASTORIAN.  
PORTLAND, April 18.—On the 16th of last March, A. J. Cody, a runner for the Holton Hotel, and Joseph Morin, a porter in the same establishment, had a personal encounter during which it is alleged, Cody bit off the lower lip of his antagonist, some of the details of which affair have been published. On the 25th of the same month Cody was indicted for mayhem, and the case against him went to trial to-day. The entire day was consumed with the examining of witnesses for both sides. There will be a night session of the court, and the case will probably go to the jury some time during the night.

No true bills were returned in the cases of John Smallman, the Linn county sheriff and his deputy, D. S. Smith who were charged with permitting W. J. McDaniels, the defaulting postmaster at Harrisburg, who had been sentenced to imprisonment in the Linn county jail, to leave his place of confinement and walk at will about the city of Albany. It appeared that the information which came before the grand jury was ill-founded, and hence, the failure to indict the officers.  
The new Union freight depot is now completed and will very soon be occupied.  
The steamer *Michigan* has been towed up to Starr's dock to be unloaded. She has a large quantity of hardware, paints, oils and glass among her cargo.  
The *Ottawa* has almost completed discharging coal at the gas company's dock, and will soon go down to the flouring mills to load for England.

DRS. DARRIN ARRIVED.  
One of the Drs. Darrin of Portland has Arrived in Astoria and has Opened Offices in Occident Hotel.

THEY MAKE A GENEROUS OFFER.  
Through the earnest solicitation and requests of patients and others in this vicinity, the Doctors have been prevailed upon to visit Astoria. One of the Doctors has now arrived and has opened offices at the Occident Hotel where he will remain until further notice. They come to us laden with testimonials, a few of which will be present to our readers. They make a generous offer of treating the poor, free of charge, from 9 to 10 daily until further notice. Consultation and Examination at all times free. Read the following testimonials to be convinced of their wonderful skill.

A PROMINENT LADY OF CORVALLIS RECITES HER EXPERIENCE WITH DR. DARRIN.  
Dr. Darrin—Dear Sir—I wish to express my gratitude to you for the wonderful results your electro magnetic system of cure has done in my case. Two years ago I was stricken down with apoplexy. Numbness and great pain in my head and neck followed for a long time. Other afflictions came thick and fast. I had chills, fever and stomach derangements, causing vomiting for weeks. In short my whole system was thoroughly permeated with malarial poison, and continued so until last October, when I had a second stroke of paralysis. Hearing of you I put myself under your cure, and now after three months treatment, I rejoice to tell you I am restored to health, and can be referred to at Corvallis, Oregon. If it will be of service to you, I will publish it.  
Mrs. N. P. BROS.

A LOATHING CASE CURED.  
Dr. Darrin, Dear Sir—I came to you for treatment for a disagreeable case of catarrh of seven years standing. My head and throat was thoroughly diseased, and it had damaged my stomach and bronchial tubes to such degree that I was partially incapacitated to do my work. Many things in the way of patent medicines I had tried to no avail. You cured me in two months with home treatment, and I do not begrudge the \$60 I paid you. Refer people to me at Salem, Or.  
E. ANDERSON.

CASE OF DEAFNESS CURED.  
Ed. Statesman—Dear Sir—I have been very deaf for over ten years—so I could not hear a watch tick. I called on you, Dr. Darrin at the Chemeketa hotel, Salem, Oregon, and have taken a few electro magnetic treatments, and I am now restored to hearing. Can be referred to at Salem, Or.  
D. W. EMMETT.

COULD NOT RAISE FROM HIS CHAIR.  
Dr. Darrin Sir—I am one of the lucky ones cured by you of a pain in my back of four years' standing. At times I could not move or raise from my chair. Can be seen at Seaside, W. T.  
A. JACKSON.

POLYPUS CURED BY ELECTRICITY.  
A Card—For more than fifteen years I have been afflicted with abnormal growth—or polypus on the nose. Had tried various remedies, all to no purpose until coming under Dr. Darrin's treatment by electricity. He has cured me and I am supremely happy. I am employed at the National Hotel, Front street, Portland, and will be glad to answer any questions, personally or by letter.  
J. MOORE.

A SWEDISH LADY'S EXPERIENCE.  
Editor Oregonian:—One year ago the 6th of October, I came from Pendleton, Oregon, to consult Dr. Darrin for female trouble of ten years' standing, also rheumatism and neuralgia. I was cured with electricity and medicines, by Dr. Darrin, in two months, with home treatments. I am now working at the Merchant's Hotel, Portland, and will gladly give my experience with the doctors.  
Mrs. CHRISTINA MANORSEN.

SHE WOULD NOT TAKE \$1,000.  
To the Public:—Six months ago I published a card giving in detail the marvelous cure Dr. Darrin performed on me by his new electrical treatment, my trouble being a complication of ailments, such as nervous and general debility, heart disease, dyspepsia, liver complaint, and rheumatism. I am now perfectly cured, and I will gladly describe to any one calling on me, or by letter, at 361 Eighteenth street, Portland. All the above afflictions are perfectly and permanently cured. I never felt so well in my life. I cannot say too much in praise of Dr. Darrin. I would not take \$1,000 and be placed back where I was before treatment.  
Mrs. F. E. DEWEY.

ANOTHER REMARKABLE CURE.  
Editor Oregonian:—I wish to express my sentiments regarding Drs. Darrin. I have been afflicted with liver complaint, dyspepsia and malaria. Through their electric and medicinal treatment I am cured. Reside at the Metropolitan hotel, First street, Portland.  
E. McMillan.

DOCTORS' TERMS OF TREATMENT.  
Drs. Darrin can be consulted free at the Occident hotel, Astoria, Oregon, and will under no circumstances take a case they cannot cure or benefit. Consultation free. Charges reasonable. The poor treated free from 9 to 10 A. M. daily. Office hours from 10 to 12 daily; evenings 7 to 8; Sunday, 10 to 12. All curable chronic diseases—loss of manhood, blood taints, syphilis, gleet, gonorrhea, stricture, spermatorrhea, seminal weakness or loss of sexual power in man, or woman, catarrh or deafness are confidentially and successfully treated. Cure of private diseases guaranteed and never published in the papers. Most cases can receive home treatment. A visit to the doctors' office, inquiries answered and circulars sent free.
